

NMLS Release 2021.3 Release Notes

Release Date: March 29, 2021

The purpose of these release notes is to provide a summary of system enhancements included in NMLS Release 2021.3.

General Enhancements

SCR Number	Title	Description	Context
46986	Clear "Verify Current Employment" License Item on File Submission	An enhancement was made to clear any system-created uncleared "Verify Current Employment Information" license item on an Individual, Company and Branch license when an MU4 or MU2 filing is submitted for the individual and the attestation date of the filing is greater than the creation date of the license item.	Company
47532	Clear "Verify Current Employment" License Item when MU2 ends	An enhancement was made to clear any system-created uncleared "Verify Current Employment Information" license item on a Company license or Branch license if the individual of the license item no longer has any active MU2 association with the company or any of its branches. This is evaluated upon the removal of last MU2 association by the Company or removal of Company Access by the Individual.	Company
47283 47897	Display sponsorship end date correctly	<p>The Authorized to Represent (State) End Date is enhanced and redefined as follows:</p> <p>The end date must reflect the sponsorship status date consistent with the last time the sponsorship went from an active status (Requested or Accepted) to an inactive status (Removed or Rejected).</p> <p>The system will display a warning message if the Regulator is attempting to update a sponsorship that has already ended.</p>	Regulator
43224	Increased Stock Symbol allowed length	An enhancement was made to increase the Stock Symbol under the legal status of the MU1 form to allow for 20 characters.	Company

46513	MSBCR Data	An enhancement was made to map the Virtual Currency sections of the State-specific Transactions (ST), Company-wide Transactions (TA) and Permissible Investments (PI) to the "Virtual currency exchanging and trading services" Business Activity. An error message will no longer display for companies that have selected the "Virtual currency exchanging and trading services" Business Activity when completing the ST, TA and PI sections of the MSBCR.	Company and Regulator
47454	Company Composite-Registered Agents	A section has been added to the Company Composite View, for Regulator and Company Users, that displays all the Registered Agents from the company's latest MU1 filing.	Company and Regulator
47455	Company Composite-View Business Activities	A section has been added to the Company Composite View, for Regulator and Company Users, that displays the list of Business Activities from the company's latest MU1 filing.	Company and Regulator
47459	Federal "Individual Registration Status Changed" notification to include Renewed Through Year and Renewal Status	An enhancement was made to the Individual Registration Status Changed notification to include "Renewal Status" and "Renewed Through Year."	Individual
47364	Enhanced the new password error message	An enhancement was made to the change password error message to inform the user of which password requirements the proposed password does not meet.	All users
