

NMLS Release 2022.9 Release Notes

Release Date: September 24, 2022

The purpose of these release notes is to provide a summary of system enhancements and general updates included in NMLS Release 2022.9.

General Enhancements

SCR Number	Title	Description	Context
NMLS-51873	Modified Online Testing Scheduling Process for Individual users	Individuals seeking to take the SAFE MLO Test via Online Proctored Testing (OPT) will now be required to submit a request before they are able to schedule a test session. The individual will be required to acknowledge they have been informed of test security and must agree to meet other requirements as a condition for taking the test via OPT. The request will require 3-5 business days for processing before the individual will be able to schedule an OPT appointment. Companies will no longer be able to schedule OPT appointments on behalf of individuals. No changes have been made to the process for scheduling the test at a test center.	Individual and Company
