GENERAL INFORMATION

Who Is Required to Have This License?

Each office location of a licensed residential mortgage lender, mortgage servicer, or residential mortgage lender and servicer, other than the main location, which is either located in California or outside of California that seeks to engage in business subject to the California Residential Mortgage Lending Act must obtain an approved branch license.

The California Residential Mortgage Lending Act is contained in [Division 20 \(commencing with Section 50000\)](#) of the California Financial Code and the regulations are contained in [Subchapter 11.5 of Chapter 3, Title 10](#) of the California Code of Regulations.

License Delivery

CA-DFPI does not issue paper licenses for this license type.

Pre-Requisites for Submission of Branch Form (MU3)

This license should only be applied for by a company that also holds, or is applying for, a residential mortgage lender, residential mortgage servicer, or residential mortgage lender and servicer license.

Document Uploads Guidance

Documents that must be uploaded to the *Document Uploads* section of the Company Form (MU3) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in [Document Upload Descriptions and Examples](#).
- Only upload documents relevant to the license application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
