GENERAL INFORMATION

Transition to NMLS

Companies holding the Maine Debt Collector license are required to submit a license transition request through NMLS by filing a Company Form (MU1) and an Individual Form (MU2) for each of their control persons by December 31, 2023. The Debt Collector license will be available in NMLS to submit the transition request starting October 1, 2023. The transition to NMLS for this license is required.

Additionally, for each branch holding a Debt Collector license, a company must complete and submit a Branch Form (MU3) through NMLS.

Note: If you already have a record in NMLS and have submitted these forms in the past, you do not need to re-enter your company information into NMLS. You will only need to identify the business activities your company conducts and the states in which the various activities are conducted. Then, you will select the appropriate license in ME, and complete a few state-specific fields.

It is important that current licensees have the appropriate transition number available when completing and submitting their Company Form (MU1), so they are charged the appropriate amount. The transition number to be entered in NMLS is the Maine license number that would appear on the printed license. The three-letter prefix should be CAPITALIZED, followed by numbers without any spacing. For example, DCL1234. The transition number must match exactly. If you encounter problems entering the transition number, please contact the Bureau at 207-624-8527.

Any licensee that needs to amend or surrender a license (or execute any other action previously completed in paper form must complete these actions within NMLS from October 1st onward. Paper forms will not be accepted after October 1st.

Activities Authorized Under This License

This license authorizes the following activities...

• Debt collection, debt buying, repossession.

Document Uploads Guidance

Documents that must be uploaded to the *Document Uploads* section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company transition.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
