GENERAL INFORMATION

Who Is Required to Have This License?

Any entity (a business organization, including a sole proprietorship) that closes a residential mortgage loan, advances funds, offers to advance funds, or commits to advancing funds for a mortgage loan applicant.

An entity engaging in loan modification activity that falls within the above definition must be licensed as a mortgage lender.

A license is required for any entity that engages in the residential loan business with a borrower regarding residential real estate located in Montana from any location. A residential mortgage loan is a loan primarily for personal, family, or household use secured by a security interest in a residential structure that contains 1 to 4 units, whether or not attached to real property, or residential real estate located in Montana. A residential structure includes a condo unit, a cooperative unit, and a mobile home or trailer, if used as a residence. Real property located in Montana upon which a dwelling is intended to be built within two years is included within this definition.

The following entities do not need this license:

- A depository institution.
- A subsidiary of a depository institution that is wholly-owned and controlled by a depository institution **and** regulated by a federal banking agency.
- An entity that is a bona fide not-for-profit entity.
- A person regulated by the commissioner of insurance if that person's principal business is that of preparing abstracts or making searches of titles that are used as a basis for the issuance of any title insurance policy by a company doing business under the laws of this state relating to insurance companies.
- An entity that is not regularly engaged in the business of mortgage lending. See Mont. Code Ann. [§ 32-9-103\(39\)](#) and [ARM 2.59.1754](#).

In order for an entity to be licensed in Montana, each control person must independently meet the following requirements of Mont. Code Ann. [§ 32-9-120](#):

- 1) the control person has never had a mortgage broker, mortgage lender, mortgage servicer, or mortgage loan originator license or an equivalent license revoked in any governmental jurisdiction;

- 2) the control person has not been convicted of or pled guilty or nolo contendere to a felony in a domestic, foreign, or military court during the 7-year period preceding the date of the application for licensing or renewal or at any time preceding the date of application if the felony involved an act of fraud, dishonesty, a breach of trust, or money laundering;
- 3) the control person has demonstrated financial responsibility, character, and general fitness to command the confidence of the community and to warrant a determination that the mortgage broker, mortgage lender, mortgage servicer, or mortgage loan originator will operate honestly, fairly, and efficiently within the purposes of this section; and
- 4) the control person has not made a material misstatement of fact or material omission of fact in the application.

Control is defined in the [NMLS Policy Guidebook for Licensees](#).

- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
