GENERAL INFORMATION

Who Is Required to Have This License?

Per NAC 645F.950, a mortgage servicer license is required for:

1. A person, whether acting as the current owner of the promissory note or as the authorized agent of the current owner of a promissory note, who:
 - a. directly services a mortgage loan secured by real property located in Nevada; or
 - b. is responsible for interacting with a borrower or managing a Nevada mortgage loan account on a daily basis (e.g., collecting and crediting periodic loan payments, managing any escrow account), or enforcing the note and security instrument.
2. A person providing the above services by contract as a subservicing agent to a master servicer by contract.

Any person that conducts any of the activities described above must apply for and obtain a mortgage servicer license, unless the person is otherwise exempt under Chapter 645F of the Nevada Revised Statutes and Nevada Administrative Code.

Activities Authorized Under This License

This license authorizes the following activities...

- First mortgage servicing
- Third party first mortgage servicing
- Subordinate lien mortgage servicing
- Third party subordinate lien mortgage servicing

Pre-Requisites for License Applications

- See checklist below.

The Nevada Division of Mortgage Lending does issue electronic licenses for this license type.

Document Uploads Guidance

Documents that must be uploaded to the *Document Uploads* section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in [Document Upload Descriptions and Examples](#).
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded, contact will be initiated by the regulator asking that the documents be removed from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific or changes have been made, a document that has already been uploaded for another state does not require a new upload.
- If a document that was previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents, be sure to indicate the applicable state.
