

Company New Application Checklist

Agency Requirements

OREGON EXEMPT COMPANY REGISTRATION

This document includes instructions for an exempt company registration request. A company exempt from licensing in Oregon may register their company with the Oregon Division of Financial Regulation (DFR) through NMLS. This exempt mortgage company registration is **OPTIONAL**. It is provided for companies who are not required to be licensed under Oregon law, but employ individuals required to be licensed as mortgage loan originators under Oregon law and wish to take advantage of efficiencies the system offers. If you need to complete a new application for an individual mortgage loan originator license; refer to the appropriate new application checklists.

Total License costs: \$100.00, which is the NMLS processing fee. Fees collected through the NMLS ARE NOT REFUNDABLE.

Use the checklist below to complete the requirements for The Oregon Division of Financial Regulation (DFR).

The checklist provides instructions and requirements for information to be entered in NMLS, the documents that must be uploaded into NMLS, as well as the documents that must be sent outside NMLS.

For help with the NMLS application, see the [Quick Guide for submitting a complete Company Form](#) filing through NMLS. See the [Document Upload Descriptions and Examples Guide](#) for formatting instructions and the [Document Upload Quick Guide](#) for upload instructions.

Note: Financial statements are uploaded separately under the Filing tab, "Financial Statement" submenu. All other documents are uploaded in the Filing tab under the "Document Upload" section of the company form.

Agency specific requirements marked **attached** on the checklist below must be received with this checklist within 5 business days of the electronic submission of your application through the NMLS at DFR.NDP.Licensing@dcbs.oregon.gov or the following:
