## GENERAL INFORMATION

### Who Is Required to Have This License?

"Pawnbroker" means any person engaged in whole or in part in the business of lending money on the security of pledged goods left in pawn, or in the business of purchasing tangible personal property to be left in pawn on the condition that it may be redeemed or repurchased by the seller for a fixed price within a fixed period of time; provided, however, that the following are exempt from the definition of "pawnbroker" and from the provisions of this act: any bank which is regulated by the State Department of Banking and Consumer Finance, the Comptroller of the Currency of the United States, the Federal Deposit Insurance Corporation, the Board of Governors of the Federal Reserve System or any other federal or state authority and all affiliates of such bank, and additionally any bank or savings and loan association whose deposits or accounts are eligible for insurance by the Bank Insurance Fund or the Savings Association Insurance Fund or other fund administered by Federal Deposit Insurance Corporation or any successor thereto, and all affiliates of such banks and savings and loan associations, any state or federally chartered credit union and any finance company subject to licensing and regulation by the State Department of Banking and Consumer Finance.

75-67-321 authorizes the Department to license and regulate this activity.

### Activities Authorized Under This License

This license authorizes the following activities...

- Pawn Brokering

### Pre-Requisites for License Applications

- None

The Mississippi Department of Banking and Consumer Finance does not issue paper licenses for this license type.

### Document Uploads Guidance

Documents that must be uploaded to the *Document Uploads* section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in [Document Upload Descriptions and Examples](#).
- Only upload documents relevant to the company application.

- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
