

NMLS Policy Guidebook Changes – October 26, 2020

- Pages 56 and 92:

As a result of the pandemic and individuals working remote, the following was added to clarify the work location item denoted in the MU2 and MU4.

- The work location stated in one's NMLS record should remain a licensed or registered location, however, an individual working remote under executive order, state guidance, laws, regulations or any other pronouncement that has the effect of law, need not change their work location.
- Page 117:
 - A header was added to the Call Report section stating which call reports NMLS accommodates.
